Secure up to \$10,000 in funding for your club!

Welcome to the 2024 TAC Club Rewards Program

The TAC Club Rewards program is for community football clubs just like yours, and encourages ongoing participation to help us eliminate deaths and serious injuries on our roads. It takes all of us working together to achieve this.

So as the heart of each community, we're asking football netball clubs to lead this movement, by rewarding the ones who are passionate about our mission and demonstrate that commitment with up to \$10,000 worth of funding.

We'll promote your club and its stories, and in turn, together we'll encourage others to play their part in making Victorian roads a safer place for all of us.

How Does It Work?

It's simple.

All your club needs to do is show us how you meet **at least two of the five criteria** below throughout Season 2024 to be eligible for funding.

Register your club below, get involved throughout the season, and a team of TAC road safety experts and personnel from AFL Victoria will review your application in late August.

We're judging on how your club is able to address and report on the below criteria

2024 Criteria

To be eligible for funding, you must apply by August 25th, 2024, and address (via smartygrants) at least **two** of the **five** criteria listed below:

1. How well did the club put in place initiatives to raise awareness of the TAC's priority message for 2024: Speeding?

2. How well did the club amplify and support other TAC road safety campaigns and key messages in the following five areas: Drink Driving, Drowsy Driving, Distractions, Vehicle Safety, Young Drivers? (See key messages section for further guidance).

3. What initiatives did the club have in place to discourage participants from drink / drug driving at their club matches and events?

4. How well did the club engage their community in Road Safety Round?
